Toner is bottled at toner manufacturing plant at precise proportions, which is critical for ensuring optimum printing performance.

Magnetone's Epson C1100 toner is 100% compatible with OEM toner. As such, it is not necessary to clear hopper of OEM toner before refilling it with this toner.

**OUR QUALITY ASSURANCE:**

The quality of products is fundamental to the continued growth and success of Magnetone. Our aim is to ensure that our product offer exceeds customer expectations in terms of performance, consistency and compatibility.

Magnetone operates a rigorous products testing procedure to ensure that all products meet the requirements of our exacting technical specifications.

**OUR EXPERIENCE**

With more than 12 years experience in the imaging industry, Magnetone's forte lies in manufacturing innovative products and developing printing solutions for remanufacturers worldwide. We continuously expand product lines to help create more profit opportunities for our customers.

**OUR INNOVATION**

Besides manufacturing own range of Magnetic Roller Sleeves, Aluminium Seals (OEM-Style), Clear Plastic Seals and Chemicals (PCR Cleaner, OPC Drum Cleaner, Mag Roller Coating, Mag Roller Cleaner, Conductive Grease & Wiper Blade Lubricant), we also source and distribute only the highest quality toner cartridge components. Products by Magnetone are developed and manufactured under very stringent processes.

Magnetic Roller Sleeves in particular, are specially developed to match the range of drums and toners available at Magnetone, providing matched components and instant solutions to rechargers.

**THE SINGAPORE ADVANTAGE**

Singapore is located at the crossroads of the east-west trading routes, at the very heart of Asia and its teeming markets. Being one of the most dynamic cities in the world with a globalised economic environment, Singapore is the best place to do business in the Asia-Pacific region by the EIU (2003 survey).

With main sales and distribution office located in Singapore and serving customers from more than 30 countries around the world, we believe it to be an ideal shipping point to the Asia Pacific region as well as to many other important trade and commerce centres in the world.
