PRESS RELEASE

Magnetone Launches Universal Top Cover

SINGAPORE, November 30, 2004 – Magnetone introduced Universal Top Cover, the latest addition to the already extensive product line at Magnetone.

Universal Top Cover is designed to convert cartridge models - Samsung ML-1210 / Lexmark Optra E-210 / Xerox Phaser 3110 / Ricoh 1465 - to fit all four of these printers.

It will help ease the search for hard-to-find empties especially for the increasingly popular models like Samsung ML-1210 & Xerox Phaser 3110.

In addition, a complete product solution is available for Samsung ML-1210, including bottled & bulk toner, wiper blade, doctor blade, OPC drum, developer roller and primary charge roller.

Magnetone is one of the fastest growing and largest stockists and distributors of compatible toner cartridge components for the remanufacturing industry in the region, constantly striving to meet the demands brought by the rapidly advancing printer technology.

Universal Top Covers are now available for immediate delivery. Please contact a sales representative of Magnetone to place an order or enquire

Magnetone Singapore at Tel: (65) 6746 0668, Fax: (65) 6746 0779, Email:
